

SITMAP-GHANA

School of IT, Management and Professional Studies SITMAP-Ghana, is empowering African youths to get the best of international certifications in IT , Business Management, Business Information Systems, Financial Management, Human Resource Management, Marketing and Travel, Tourism and Hospitality Management.

Our products could progress to the final year of several universities in the UK, USA, Canada, Australia and Singapore. On completion, they can take up a middle-level management positions in good organizations that appreciate international certifications and qualifications.

School of Management (University Degree Programmes)

SITMAP has strategically tied up with the Association of Business Executive (ABE). ABE is a British professional membership body and an examination board. ABE develops business and management qualifications at Certificate, Diploma, Advanced Diploma and Postgraduate Diploma level. Our Strategic tie up with ABE has enabled us become partners to over 50 universities in the United Kingdom.

With 5 credit passes or less, you could be offered an ABE programme and then progress into any of our partner British Universities listed under at your third year.

After completion of the ABE programmes in Ghana, our products can enter the final year of related degree programmes in any of the universities listed below and save more than 50% of the cost.
